### IT IS FRANKABLE,

So Says Mr. Hazen About Cleveland's Tariff Message.

Postmaster Wilcox, However, is Like Collins' Sheep and Has a Head of His Own.

After Mr. Washington had left here last evening a telegram was received from A. D. Hazen, Third Assistant Postmaster-General, in answer to a message Mr. Washington had addressed him for a ruling on the post-office matter mentioned in yesterday's issue. That message was as follows:

"If the President's message was printed by order of either house of Congress, it is frankable under act of Congress of March 3, 1879. If printed in Congressional Record, extracts from it are frankable under act of Congress of March 3, 1875."

This message was shown to Postmaster Wilcox, and while the law as interpreted by his superior shows plainly and unequivocally that the president's message is frankable, he refused to take it. This message of Mr. Cleveland's was printed in the Congressional Record, and the part of it offered to the postmaster was simply an extract therefrom. It is frankable matter and any man should know it who has sense to read and write. The logical conclusion is that it is nothing more than an effort on the part of the postmaster to keep this matter out of the mails and the hands of voters until dilatory officials at Washington make a ruling on the case. This will probably come after the campaign is past. However this bit of partisan work will not keep the greatest tariff message that was ever issued out of the hands of the voters, for they will have it. It is strange that the postmaster at Clarksville knows more about the postal laws than the third assistant postmaster-general. They ought to swap places. The thing is out of joint.

### TO REMOVE GROVER.

The Democrats of New York Making Arrangements For Next Week.

Special to the Leaf-Chronicle.

NEW YORK, Sept. 29.—President Chauncey F. Black and the officers of the National League of Democratic Clubs are to meet here to-day and conclude arrangements for the reception to Ex-President Cleveland next week. A committee will probably be sent to Gray Gables, leaving Monday, which will act as escort to the Democratic nominee.

"I would rather trust that medicine than any doctor I know of," says Mrs. Hattie Mason, of Chilton, Carter Co., Mo., in speaking of Chamberlain's Colic, Cholera and Diarrhoea Remedy. This medicine can always be depended upon, even in the most severe and dangerous cases, both for children and adults. 25 and 50 cent bottles for sale by Owen & Moore, Druggists.

### DOOMED TO DEFEAT.

Jno. Allen Will Not Go to Congress Over Joe Washington's Corpse.

Jno. Allen now has the supreme pleasure of seeing his name written in the same line with that of the great, high-sounding, ear-splitting word "Congress." As stated in yesterday's issue, he has nominated himself, and while he is the nominee of no convention, and in fact of nobody but himself, he is still a candidate with Third-party-Populist-Independent-Republican attachments, and will run on this ticket. The Banner was the first paper to make editorial comment on his candidacy, and it does so as follows:

"The Banner some time ago threw out the intimation that Farmer John Allen, of Montgomery county, would be an independent candidate for Congress in this district, and the correctness of the prophecy is proven by Mr. Allen's announcement of his candidacy, which was made this morning. The Banner also at the same time said that although Mr. Allen is a genial gentleman and a good farmer he will not go to Washington very soon over the political corpse of Joe Washington. The correctness of this prophecy will also be proven when the votes are counted out in November."

### Druggists Who Substitute.

Beware of the druggist or general dealer who, when asked for Lemon Chill Tonic, has something "just as good" or "just like it." We say the person who habitually does this is not the one to trust with your prescriptions; he would be apt to substitute, if he hadn't what the prescription called for would put in something "just as good." There are many tonics on the market, but none claim to be better. Why then take the risk? The persons whose names are attached can tell you that Lemon Chill Tonic does everything we claim for it. Price 50 cents. For sale and guaranteed by Clarksville Drug Co., Edwin Thomas, Jr., Manager.

### IMPORTANT GATHERING.

The Brotherhood of St. Andrew in Session at Boston.

Special to the Leaf-Chronicle.

BOSTON, Sept. 29.—From noon to-day to October 5, the great dignitaries of the Episcopal church of the United States will take active part in the seventh annual convention of the Episcopal Brotherhood of St. Andrew. James L. Haughtaling, of Chicago, is present. This brotherhood is the most numerous and powerful lay brotherhood in the country, if not in the world. It was organized in 1883. On St. Andrew's Day in that year a dozen young men of St. James' church, Chicago, agreed to pray daily for the spread of Christ's Kingdom among young men, and to make an earnest effort to bring at least one young man within the hearing of the gospel. Chapters soon began to multiply and now the brotherhood consists of more than ten thousand members. Bishop Philip Brooks is to be one of the principal speakers. There are delegates here to-day from every State and city of note in the United States.

There has been a continued tendency to bowel disease here this season, says C. W. Shivel, druggist, Wickliffe, "Cholera and Diarrhoea Remedy," demand for Chamberlain's Colic, Cholera and Diarrhoea Remedy. I have sold four bottles of it this morning. Some remarkable cures have been effected by it and in all cases it has proved successful." For sale by Owen & Moore, Druggists.

### DEMOCRATS, REGISTER.

The Books Will be Open at the Court House Friday and Saturday.

The registration books for the Twelfth district will be open again to-morrow and Saturday, at the court-house, and Democrats should go and register. Remember, that unless you register, you can't vote.

### On the Mineral.

Steel rails are now being hauled to the Mineral road to be used in laying a track on the gap which has been under course of construction for several months. This gap will be completed by the first of November and after that date a new time card will more than likely be prepared for the Mineral and Princeton branch.

There is nothing like Dr. Thomas' Electric Oil to quickly cure a cold or relieve hoarseness. Written by Mrs. M. J. Fellows, Burr Oak, St. Joseph county, Mich. Sold by Tudhope Drug Co.

Ladies, bring your little girls and get them a nice little jacket rafer. Age four to ten years. Respectfully, sep26-dsw1w. MRS. ROSENFELD.

### FRANK P. BOND.

Brownsville's Eloquent Son to Speak Here.

He Will Come Monday Night, October 10, And Everybody Should Turn Out and Hear Him.

The Entertainment Committee of the Young Men's Democratic Club has received a letter from Hon. Frank P. Bond, of Brownsville, in answer to a letter addressed to him, extending him an invitation to speak in Clarksville during the campaign. Mr. Bond has made a date, and will be here Monday night, October 10. He will probably speak in the opera-house, and he will have a good crowd to hear him. There are few better speakers in the State than Mr. Bond. He is eloquent, and has made an enviable reputation as a campaign speaker.

His coming will do the cause of Democracy much good, and everybody should turn out and hear him. Country people will be repaid for their coming in to hear Mr. Bond, and it is sincerely hoped that many of them will attend. The Young Men's Democratic Club has done well in securing him, and they are to be congratulated on their success. They will also have more speakers here before the campaign is over.

### It Should Be in Every House.

J. B. Wilson, 317 Clay St., Sharpsburg, Pa., says he will not be without Dr. King's New Discovery for Consumption, Coughs and Colds, that it cured his wife who was threatened with pneumonia after an attack of "La Grippe," when various other remedies and several physicians had done her no good. Robert Barber, of Cookport, Pa., claims Dr. King's New Discovery has done him more good than anything he ever used for lung trouble. Nothing like it. Try it. Free trial bottle at Owen & Moore's drug store. Large bottles 50c. and \$1.00.

### Guthrie Jottings.

Correspondence Leaf-Chronicle.

GUTHRIE, Ky., Sept. 29.—The training school, for both sexes, under the supervision of Prof. Ryland and Mrs. Belle D. Kendall, opened on the 15th, in the Christian church, with good promises. About forty pupils are now attending and more later, when the fall rush is over on the farm, the average farmer boy having to help house the crop that is to pay for his education. Misses Mac Killebrew and Pearl Whitfield, from St. Bethlehem neighborhood, attend this school; also Margaret Linebaugh and John Williams, who for several years have attended Clarksville schools and Key Allensworth, from Prof. Gordon's training school.

Mrs. Bettie Linebaugh has a full class of music, and has Mrs. Molly Kimbrough.

A. P. Crutcher opened the public school, just across the line in District No. 1, on last Monday. He is a popular and competent instructor, who a number of years ago taught "the young ideas how to shoot" that are now pulling long guns.

Mrs. Morton Randall has quite a number of bright little dots, to whom she gives a mother's care.

Just now the scholastic advantages of Guthrie are exceptionally good. They have come none too soon.

Rev. M. M. Benton, of Sewanee, held a series of religious meetings, for a week, in the hall, Christ's mission, which were instructive, elevating and well received, the attendance being excellent, both mornings and nights. He was requested by the Bishop of the Protestant Episcopal diocese of Kentucky to hold this meeting, as beginning of a series that would follow, all over Kentucky, where the church was either new, or none "Sowing the Seed."

The farmers are housing a fine crop of tobacco; if the weather continues good this week most of it will be put up in good order.

Comfort and ease in walking is a great luxury, and can be secured if you are troubled with corns, by using "C. C. C. Certain Corn Cure." Warranted. Sold by Owen & Moore.

### San Jones November 6.

The impression seems to prevail throughout the country that the LEAF-CHRONICLE made a mistake in announcing that Sam Jones would be here November 6. No mistake was made; he will come on that date and will remain ten days. He will certainly not be here at any time in October, for his time is all promised in Texas.

### CLOSING DAY.

The Last Day of the Great California Celebration.

Special to the Leaf-Chronicle.

SAN DIEGO, CAL., Sept. 29.—This is the closing day of the festivities connected with Cabrillo Day. The great military parade in which the State militia is well represented, is to take place. The crowd is, if anything, larger than yesterday, and San Diego is proving itself a splendid host to its thousands of visitors. To-night a banquet to the Governor and staff, and to the representatives of Mexico and the officers of the American army and navy, ends one of the greatest celebrations in the history of the Golden State.

### A GREAT RALLY.

Indiana Democrats Meet at Shelbyville in Large Numbers.

Eight Speakers' Stands Erected And They Were All Occupied at One Time By Speakers.

Special to the Leaf-Chronicle.

SHELBYVILLE, IND., Sept. 29.—The crowd which attended the great Democratic rally here yesterday was estimated at from 60,000 to 80,000. Among the distinguished guests present were Hon. L. T. Neal and J. Ford, of Chillicothe, O., Senator Turpin and Congressman Bynum, of Indianapolis, and Warren, of New York. General Stevenson arrived about noon, also, and was given a genuine ovation.

Large delegations arrived on special trains from Richmond, Ind.; Peru, South Bend, Kokomo, Wabash, Marion, Anderson, Columbus, Martinsville, Columbus, O.; Hamilton, O.; Middletown, Cambridge City, Rushville, Greensburg, Lawrenceburg, Madison and Indianapolis, which sent fifteen delegations.

Col. Frank Wilson, with his regiment of Democratic veteran soldiers, headed the procession, which formed on Broadway and Mechanic streets. Bands and drum corps were with every delegation. Gen. John C. Black arrived at noon and was escorted by the regiment.

The meats and other eatables were excellently prepared, and were placed on the sixty-five long tables which spanned the eastern portion of the grounds.

Eight speakers' stands, beautifully decorated, had been erected and all were occupied at one time. Processions in wagons and other vehicles came from counties sixty miles away.

The day was clear and warm and nothing transpired to mar the tranquility of the occasion.

If the liver be inactive you have a Bilious Look, if your stomach be disordered you have a Dyspeptic Look, if your kidneys be affected you have a Pinched Look. ### AN ENGLISH HOLIDAY.

Michaelmas Day Being Celebrated All Over England.

Special to the Leaf-Chronicle.

LONDON, Sept. 29.—All the exchanges, public buildings, courts and banks are closed to-day, it being Michaelmas Day, one of the four great days of the English, and one of the holidays of the Roman Catholic Church as well. In England the day is one of the four quarterly terms, or quarter days, on which rents are paid and the day on which burglar magistrates and city councils are re-elected. In America it is observed as a holiday only by the Catholic Church. Michaelmas Day, as all the world knows, is the day of honors for Michael, the Archangel, the chief of all angels. The observance is general in all the Catholic countries of Europe.

### BROKE ALL RECORDS.

Nancy Hanks Queen of the Trotting Turf.

She Goes a Mile Over a Regulation Track at Terre Haute In 2:04.

TERRE HAUTE, IND., Sept. 29.—Six thousand people witnessed the record-breaking events of yesterday's races. Nancy Hanks was driven to beat her regulation track record, 2:07. At 4 o'clock, after some preliminary slow jogs, she appeared with Budd Doble up, accompanied by Frank Starr behind the runner, Abe Lincoln. The track received but little more attention than for the other races beyond one extra scrape and dragging. The day was fair, not hot, and a light breeze stirred. Frank Walker gave the word and the mare started at full speed, the first quarter in :31, the runner galloping furiously behind her. Her gait was steady as a steam-driven piston. The half was reached in 1:02 and the mile was trotted in 2:04, without a break or show of uneasiness or over-driving. The best quarter was in :29. The last half in 1:01.

Tremendous long cheers broke out. The crowd poured upon the track. Doble was carried on their shoulders to the judges' stand, happy and smiling, to bow his thanks.

President Ijams announced the time, 2:04, and the breaking of all kite and regulation track records, and Doble was cheered again for keeping his promise to hang the best record over the Terre Haute track.

### Prohibition Meeting To-Night.

The Prohibition Club will discuss to-night at the court-house plank No. 4 in their national platform, which reads as follows:

"Tariff should be levied only as a means of defense against foreign governments which lay tariff upon or bar out our products from their markets, revenue being incidental. The residue of means necessary to an economical administration of the government should be raised by levying the burden on what the people possess instead of what they consume."

Everybody is invited to come and take part in the debate whether prohibitions or not.

Nervous and delicate women should not take quinine and rack their nerves, but "C. C. C. Certain Chill Cure," the great remedy for fever, ague and malaria. Sold and warranted by Owen & Moore.
